

VISSARION KELESIDIS

WEB DEVELOPER - GRAPHIC DESIGNER

I'm Vissarion, a junior developer and graphic designer pursuing a degree in Computer Science and Engineering. I have hands-on experience as a Front-End Developer, working with HTML, CSS, JavaScript, Bootstrap, and design tools like Photoshop, Illustrator, and Figma. Passionate about Web Development and Graphic Design, I'm now looking for opportunities to apply my skills, grow, and take on new challenges.

WORK EXPERIENCE

- Front End Developer AG.KOUS**
2021 - 2022 Athens, Greece
As a Front-End Developer, I worked on multiple projects, designing and redesigning modern, user-friendly websites for clients. I used technologies such as HTML, CSS, JavaScript, Bootstrap, and WordPress to build responsive, visually appealing websites.
- Technical Support Agent Notion**
2023 - Current Athens, Greece
In my role as a Technical Support Agent, I assist users in troubleshooting technical issues, handle inquiries ranging from feature usage to bug identification, collaborate with development teams to report recurring issues, and more. This role has sharpened my communication skills and enhanced my problem-solving abilities while working with a widely-used productivity tool.
